

Pit Access and Pit Box Allocation

Updated: December 4, 2024

Elite, U23, and Junior 17-18

Friday, December 13, 5 PM at the Tennis Center Office (registration)

- Riders may represent themselves or send a mechanic or other representative since this is during course preview time.
- A representative from each rider will request a pit box in the order of call-up ranking.
- Mechanics who are providing exchanges for more than one rider will request a box for all riders based on the highest ranked rider. *The person present for the draw must know which rider(s) they are representing.*
- Riders without a representative will be assigned boxes after the draw (and may not combine later with other boxes).
- The final pit box assignments will be published on the 2024 National Championships webpage on Friday evening.

Details for pit box assignments:

- Each box is limited to mechanics for up to 6 riders.
- Each rider may have up to two mechanics/attendants in the pit for exchanges.
- **Pit Passes Lanyards are required** and must be visible while in the pit. They are available at the Tennis Center Office (registration) with a current USA Cycling license or license from a recognized federation.
- Bicycles and equipment may only be brought to the pit just before the race and must be removed from the pit immediately after your race.
- Any equipment in the pit is subject to equipment checks.

Junior 11-16, Collegiate, and All Other Races

Junior 11-16 and Collegiate Races

- Each rider may have up to two mechanics/attendants in the pit for exchanges. *Collegiate races may be limited by team.*
- **Pit Pass Wristbands are required** and must be visible while in the pit. They are available at the Tennis Center Office (registration).

All Other Races

- Pit Passes are NOT required for Singlespeed, Non-binary, or Masters categories.

Box Assignments and Equipment

- Available first come, first serve.
- Each box is limited to mechanics for up to 6 riders.
- Bicycles and equipment may only be brought to the pit just before the race and must be removed from the pit immediately after your race.
- Any equipment in the pit is subject to equipment checks.
