

USA Cycling Entry-level Commissaire Course

Updated: 01/14/2026

Thank you for your interest in becoming a USA Cycling Commissaire.

There are three steps to becoming USA Cycling Commissaire:

- Successfully complete the Commissaire – Entry-level Course, online or in-person, with a 70+% score
- Complete the required Center for SafeSport Training
- Complete a required Background Screening through USAC's vendor – NCSI

HOW TO: Complete the Commissaire – Entry-level Course

- Log on to your USA Cycling account - <https://usacycling.sport80.com>. If you don't already have a USA Cycling account, create one [here](#) and log on.
- From your Dashboard, click on the “**Learning**” link on the lefthand side to access the iLearn platform.
- Once you are on the iLearn platform, search for the Commissaires – Entry-level Course.
- Use the “View Course” link under the “Commissaires – Entry-level Course”, and then “ENROL me” (British English!).
- All training materials are available under the “Training Materials” section

Additional Information:

- This course is self-taught, self-guided and automatically graded upon completion
- The folder “Commissaires – Entry-level Course Materials” contains PowerPoint slide decks of the information taught for the in-person courses
- The exam is open book, open notes, and must be completed with a 70%+ score to pass. Multiple attempts are allowed
- Upon successful completion of the course, please download your completion certificate and send it to officials@usacycling.org. We will then email you additional information, including how to complete SafeSport training and your background check.

If at any point you run into issues or have questions, don't hesitate to reach out to USA Cycling's Technical Department at officials@usacycling.org.
