In cases where there are available start positions after the automatic qualification process, any available positions may be filled via discretionary nomination (Appendix A).

There are extensive Union Cycliste Internationale (UCI) requirements for entry into Pan American Continental Championship at the nation, event and individual levels. Those requirements can be found on the UCI website under rules and regulations – Pan American Continental Championship: <https://www.uci.org/inside-uci/constitutions-regulations/regulations>

- Athletes must be in good standing with USA Cycling, UCI, U.S. Center for SafeSport and the United States Anti-Doping Agency (USADA).

**EVENT SELECTION STRATEGY**

USA Cycling will adopt a conservative and targeted event selection strategy, prioritizing the selection of a small team of approximately three to five athletes. Selection will be focused on classifications and events that historically demonstrate the greatest depth of participation, ensuring competitive relevance. Event selection will be focused on athletes who are 2025 UCI Road World Championship medalists. USA Cycling does not anticipate making discretionary nominations beyond automatic qualifiers.

**EVENT PRIORITIZATION**

For the 2026 UCI Pan-American Paracycling Road Championships, based on anticipated participation depth and competitive relevance, USA Cycling will prioritize events in the following order:

## Men

1. MC5
2. MC4
3. MH3
4. MB
5. MC3
6. MH4

## Women

1. WB
2. WC5
3. WC4
4. WC3

### **MANDATORY TRAINING CAMPS**

There will not be a mandatory training camp prior to the Para-Cycling Road Continental Championships. However, athletes will have access to training opportunities in Colorado Springs through the Daily Training Environment (DTE).

### **FINANCIAL RESPONSIBILITY**

USA Cycling will provide one economy class, single destination airfare, which includes up to 3 pieces of luggage: Up to two bikes or one bike and one wheel case, plus one suitcase each under 50lbs (excess weight or additional bag charges are the responsibility of the athlete). USA Cycling will also provide competition and casual clothing, lodging/food, ground transportation at event location, and all mechanical/race support throughout the duration of the event with USA Cycling.

### **USAC POLICY FOR FUNDING CONTINENTAL CHAMPIONS FOR THE WORLD CHAMPIONSHIP TEAM**

As per the current UCI rule 9.2.009, the Continental Champion may earn an additional quota position by name in the first World Championships following the awarding of the title of Continental Champion.

Because the Continental Championships are held months prior to the actual World Championships, and the level of competition at the Continental Championships is not the international standard found in most automatic qualification criteria for USA Cycling's Team nominations for World Championship Teams, USA Cycling has established the following policy:

*Funding of Continental Champions by USA Cycling for World Championship Teams depends on the rider meeting the funding levels outlined in the World Championship Team selection document. If a rider does not meet these requirements, but chooses to ride in the World Championships, they may do so at their own expense.*
