NATIONAL CHAMPIONSHIPS

17-18 // U23

MAY 14-19, 2024

CHARLESTON, WV

DECISION OF THE COMMISSAIRES PANEL

Communiqué – Friday, 17 May 2024

GENERAL ANNOUNCEMENTS:

1. Bikes must conform to UCI regulations:

- Brake levers cannot be turned in beyond 10 degrees of the plane formed by the center of a traditional handlebar drop,
- No pads on handlebars,
- Riders must not rest their forearms on the handlebars-must hold onto bars at all times,
- Riders must observe the 3 points of contact-pedals, saddle and handlebars.

2. You will be using the number you received at registration today. These are different numbers than the time trial and criterium. You must make sure you have the correct number for the road race. Numbers can be worn euro style. Please ensure that the frame number is attached and visible.

3. Riders must sign the start sheet. Sign-in will be open until 10 minutes before the start. The sign in will be at the bottom of the concrete steps at the USA Cycling results trailer, across from the front door of the Four Points Sheraton. Sign is open 1 hour and 10 minutes before the start.

4. Neutral Service will have 3 cars and a motorcycle. Questions about equipment should be taken directly to Elite Neutral Service.

5. Teams may place mechanics and spare equipment at fixed points around the course at their choosing. It is critical that you park legally and respect property owners on the course. You may not park on the road.

6. Vehicles proceeding to the feed zone, or to fixed points on the course, must depart 15 minutes before the start of the race. Cars may not move around the course (unless you are a registered caravan team vehicle). Cars may return to the finish area vehicle deviation immediately behind the broom wagon on any lap. Your vehicle must have race stickers and follow the course. Vehicles parking in the feed zone must be as far off the road as possible.

7. U23 ONLY Teams may use the VIP pick-up and drop off to move staff members onto the course. (Pit from last night's criterium).

8. Bicycles may be exchanged from pits or on the side of the road for mechanical issues. Do not exchange bicycles for any other reasons. If an official asks you to present the bike that is replaced at the end of the race, you must do so at the judge's trailer at the start finish.

9. Juniors-Radios are not allowed.

10. Feeding:

- **Junior-Feeding** will start at the feed zone from the outbound side of the feed zone after the first lap. After passing the feed zone outbound on the first lap, feeding from the ground is authorized.
- **U23-Feeding** will start on the inbound side of the feed zone during the first lap.

- **All:** Feeding will end at the outbound feed zone location on the start of the last lap. All feeding is from the right side.
- **Please ask your riders to utilize the feed zone as the green zone for throwing litter and bottles. Please be responsible for picking up litter in the feed zone for your race. You may hand empty bottles to the officials in the cars.**
