Team Time Trial Notes

Article 17 in Technical Guide will be enforced without exception.

Equipment: Bicycles used in all collegiate road events, criteriums, time trials, road races, etc., must be mass-start bicycles as defined in 111(h) of the USAC regulations and further defined in 6F1 and 6F2. Wheels for these bicycles must have at least 16 spokes and no wheel covers may be used. No handlebar extensions or forms of bars offering forearm support, including additional pads, are allowed 111(d).

There will be holders for the TTT.

There will not be service vehicles allowed on course during the TTT.

Parking: All vehicles must enter parking via Main Street. Volunteers will assist in directing vehicles to parking spaces. Team Parking opens at 7:30 AM.

Road Race Notes

Neutral Start: Riders will begin a neutral start at the start line, with the 0.0 km mark shortly after the left turn onto State Highway 19.

Feed Zone: Neutral Feed and Team Feed zone located immediately after the turn onto Waterloo Rd. Feed zone will be open starting the 3rd time through (3 laps to go for Women, 5 laps to go for Men) and remain open for the rest of the race. No feeding is permitted outside of the feed zone. Vehicles exiting the feed zone will be directed in course direction on Waterloo Rd. towards S. Monroe Street for a left turn.

Criterium Notes

The criterium will be run in a clockwise direction.

According to USAC **716(d)** Four points primes occur in the criterium, with a point scale of 7, 5, 3, 1, for first through fourth place. These points are for the individual omnium, and therefore are included directly in the determination of the individual rider omnium and indirectly in the determination of the team omnium.
