### Road Race Notes

**Registration:** Registration will be located in team parking for the road race, changed from inside Trek Headquarters.

**Rider Identification:** Riders are reminded to wear both bib numbers and frame number for the road race. Bib numbers should be worn in the pictured configuration:

**Feeding:** Team and neutral feeding is only permitted in the feed zone from the right side of the road. No handups are permitted outside of the feed zone or from vehicles. Litter may only be discarded in the green zone, indicated by A-frame signs. Any littering outside of this area is subject to penalties.

## ***Race Communiqué #2*** **02 MAY 2025**

**Time Cuts:** Riders who are more than 8% behind the leaders of their respective races will be sent straight at the lap cards to continue on State Highway 19 towards McKay Way for a right turn onto the finishing stretch. A volunteer will control access to McKay Way, and riders will be awarded places based on their order across the finish line. Riders must cross the finish line to receive a placing. All riders outside of the caravan are subject to rules of the road prior to their turn onto McKay Way and should exercise caution.

### **Venue Notes**

The Trek Trails are closed due to rain and not available for public usage by riders, coaches, parents, or other team staff. Unauthorized use of these trails is subject to penalties.
