Criterium Notes

Registration: Registration will be located in team parking

Awards: Club omnium awards will be presented at the 12:05 PM ceremony.

Rider Identification: Riders are reminded to wear both bib numbers and frame number for the criterium. Bib numbers should be worn in the pictured configuration:

Wheel Pits: The criterium course features two wheel pits, with Pit 1 on the backside and Pit 2 on the homestretch. Both pits will be supported by Event Support Professionals, and each pit will have a designated area for team equipment. Event Support Professionals is not responsible or liable for team equipment. Any equipment borrowed from neutral support is required to be returned promptly following each race.

Race Communiqué #3

03 MAY 2025

Riders Out of Contention: Riders who are out of contention will be pulled by the chief referee at the finish line. Pulled riders will be placed and are required to exit the course at the designated opening on the lap they are pulled. Riders must be pulled to receive a placing, and any riders who exit the course of their own accord will not be considered finishers.

Points Sprints: Four points primes occur in the criterium, with a point scale of 7, 5, 3, 1, for first through fourth place.

Venue Notes

Reminder: The criterium takes place in an urban area with heavy vehicle traffic. Caution should be used traveling between team parking and staging, as well as while warming up and cooling down. Please see the tech guide for details on team parking, staging, and making your way to the venue.
