Race Communiqué #3 **09 MAY 2025**

Wheel Pits: The criterium course features two wheel pits, with Pit 1 on the backside and Pit 2 on the homestretch. Both pits will be supported by Event Support Professionals, and each pit will have a designated area for team equipment. Event Support Professionals is not responsible or liable for team equipment. Any equipment borrowed from neutral support is required to be returned promptly following each race.

Recognized Mishaps: Free laps will be awarded for recognized mishaps until 5 laps to go according to USAC regulation **3D5**. **Riders are reminded to ensure all equipment is appropriately charged, adjusted, and tightened prior to tomorrow's event.** All riders must be reinserted by the time the leaders see 5 laps to go.

Riders Out of Contention: Riders who are out of contention will be pulled by the chief referee at the finish line. Pulled riders will be placed and are required to exit the course at the designated opening on the lap they are pulled. Riders must be pulled to receive a placing, and any riders who exit the course of their own accord will not be considered finishers.

Points Sprints: Four points primes occur in the criterium, with a point scale of 7, 5, 3, 1, for first through fourth place.

Venue Notes

Reminder: The criterium takes place in an urban area with heavy vehicle traffic. Caution should be used traveling between team parking and staging, as well as while warming up and cooling down. Please see the tech guide for details on team parking, staging, and making your way to the venue.
