Friday Road Races

We are monitoring the weather and are aware of impending rain and thunderstorms for Friday. We will be starting the road races as scheduled, with the first race starting at 7:00 AM.

All riders are reminded the centerline rule will be in effect for all road races, except for the final lap where riders will have use of the full road starting at 500 m.

Parking

There is no parking on Range Road (racecourse) south of 16th Street. Please review the Tech Guide on the race website for more details on designated parking areas.

Schedule Updates

We have made a few scheduled changes for Sunday, along with a minor change on Friday. The new schedule has been updated and all changes are listed in **red** text. Please review it [HERE](#). The updated schedule will have an updated date of **July 25, 2024** at the bottom. Please be sure you are looking at the current one.

Friday Road Races

We have made one change to the Friday schedule by swapping the start times for two races as listed below:

11:00 AM – Men Junior 15-16

11:10 AM – M 65-59

Sunday Criterium

After seeing the final field sizes and listening to rider input, we have adjusted the criterium schedule to split out the Master Men's 65-69 race from the 70+. To make this change we have adjusted start times beginning at 10:00 AM through the end of the day. In addition, we have combined the Master Men's 35-39 and 40-44 races into one race. Please review the updated schedule for full list of changes.

Call-up Lists

We will not be re-posting the call-up lists on the website. If you have picked up your bib number, you will be racing. As a reminder, riders who registered after the July 18 will be called up at the back of the field.
